Location - Where is the camp located?

Camp David, 1452 Camp David Jr. Rd., Port Angeles

Directions: Camp David Jr. is located on the north shore of Lake Crescent off Highway 101. After reaching the west end of Lake Crescent, passing the Fairholm Store, turn right on to Camp David Jr. Road. Continue on Camp David Jr. Road for 1 1/2 miles, the entrance is on the right.

Hours of Camp - What time does camp start and end each day?

Camp activities will run from approximately 8:30am-9pm. See activities section below for more detail.

Registration - How do I register for day camp?

Registration must be done in person, one registration packet is required for each family and must be completed and turned in at the time of registration. Registration runs April 2-June 1 or until spaces are filled. Forms are available at the Member Service Desk or online. Registration is based off number of adults and youth in your participating family. Reservations may be made with a 50% deposit on the total amount. The remainder fee must be paid in full by June 1, 2018. Payment may be made at any Olympic Peninsula YMCA location; Jefferson County, Port Angeles or Sequim. Registration fee includes all meals from dinner on your first day to breakfast on your last as well as programmed activities.

Refunds - If I cancel a registered week of camp, will I be refunded?

Refunds will be granted based on the following criteria: you request the refund in writing and you request the refund prior to June 1, 2018. All refunds will be minus a \$25 administrative fee. No refunds will be granted after June 1.

ACCOMMODATIONS

- Check-in on Friday, June 29, 2018 is between 4-6pm. Check-out on Tuesday is 11am.
- Cabins sleep 8-11 individuals on bunkbeds. The YMCA will pair families together based on bunkmate requests, total number in family, similar ages, locations and/or schools. See map and pictures below for more detail.
- Restrooms and showers: There are separate male and female restrooms and showers.

Inclement Weather - What is the procedure for bad weather?

At the first sign of inclement weather, families will be brought indoors and into safety.

Medication Administration

We ask parents/guardians to keep their prescribed medication in the camp office. This medication can be accessed at all times.

Water Safety - Does my camper need to know how to swim?

Your camper does not need to know how to swim. All campers (adults and children) will be required to wear lifejackets while on the lake. Lifeguards and counselors will be at the lake during organized lake activity times.

Clothing - What sort of clothes should we bring?

Your family will be spending time indoors and outdoors. Please dress appropriately. We have found that breathable layers work best. Closed-toe shoes are required for safety reasons and we recommend water shoes during lake play. Flip flops may be worn on the lake.

Items From Home - May campers bring toys and similar items from home to camp?

We recommend leaving toys and/or electronics at home but parents may ultimately decide. The YMCA is not responsible for any item that is broken, lost, or stolen during camp.

What kind of food are families served at camp?

Camp provides three meals (breakfast, lunch and dinner) plus two snacks on June 30–July 2. On June 29, camp will provide dinner at 6:30p. On July 3, camp will provide breakfast. Please note any food allergies on the camp registration form. We are a nut free camp.
